Joan Jett And The Blackhearts, I Love You Love

(Glitter/Leander)

We're still together after all that we've been through They tried to tell you I was not the one for you They didn't like my hair, the clothes I love to wear They didn't' realize that I was strong enough for two

I love you, love you love me too, love I love you Love me love I love you, love my only true love I Love you love me love

The things they said about the two of us were lies I knew they couldn't see the sparkle in your eyes They said I wouldn't dare to show how much I care They didn't know that we were just two angels in disguises

I love you, love you love me too, love I love you Love me love I love you, love my only true love I Love you love me love

So here we are alone, we made it on our own And though they tried, they can't deny The way I really showed'em

I love you, love you love me too, love I love you Love me love I love you, love my only true love I Love you love me love
