

# Joan Jett And The Blackhearts, Indian Giver

(B. Gentry/R. Cordell/B. Bloom)

I can still remember  
It wasn't long ago  
Things you used to tell me  
You said I had to know  
Told me that you loved me  
And that you always would  
Then I said I loved you  
You said that that was good  
Then you made a promise, said you'd never want me to go  
Oh no

Indian giver Indian giver  
You took your love away from me  
Indian giver Indian giver  
Took back the love you gave to me

Baby I was feeling  
The way I want to feel  
You had me believing  
The love we had was real  
Things we did together  
You said they'd never end  
Now until forever Oh yeah that was what you said  
Then when I was down I knew you'd always be there  
Oh yeah

Indian giver Indian giver  
You took your love away from me  
Indian giver Indian giver  
Took back the love you gave to me

Indian giver Indian giver  
You took your love away from me  
Indian giver Indian giver  
Took back the love you gave to me

Indian giver Indian giver  
You took your love away from me  
Indian giver Indian giver  
Took back the love you gave to me
