

Joan Jett And The Blackhearts, Just Lust

(Rick Nowels/Terry Abrahamson)

I like the way you move
I like the way you feel it's just lust
But don't kid yourself
This love ain't for real it's just lust

I wanna take you home
Rock ya all night long
If ya think it's luv then you're thinkin' wrong

It's just lust
It's just lust

Move baby move and ya make me melt
It's just lust
But you're only a hit below the belt
It's just lust

But don't ya call it luv
But my heart ain't buyin'
When you're outta my sight
You're outta my mind

It's just lust
It's just lust
It's just lust
It's just lust

I wanna take you home
Rock ya all night long
If ya think it's luv then you're thinkin' wrong

It's just lust
It's just lust
