## Spider Web

I dreamed about Ray Charles last night  
And he could see just fine

Dreamed about Ray Charles last night  
And he could see just fine, you know  
I asked him for a lullaby  
He said, "Honey, I don't sing no more"  
No more, no more, no more  
Ray don't sing no more

He said, "Since I got my eyesight back,  
my voice has just deserted me.  
No 'Georgia On My Mind' no more...  
I stay in bed with MTV."

Then Ray took his glasses off  
And I could look inside his head  
Flashing like a thunderstorm  
I saw a shining spider web

Spider web (repeat 3x)  
In Ray Charles' head

I dreamed about Ray Charles last night  
He took me flying in the air  
Showed my own spider webs  
Said, "Honey, you had best take care.  
The world is made of spider webs  
The threads are stuck to me and you  
Be careful what you're wishing for  
'Cause when you gain you just might lose"  
You just might lose your...

Spider web (repeat 3x)  
What Ray Charles said

When you're feelin' lonely  
When you're hidin' in your bed  
Don't forget your string of pearls  
Don't forget your spider web

When I go to sleep tonight  
Don't let me dream of brother Ray  
No, no, no, don't...  
Don't get me wrong, I'm glad he sees  
Just like him best the other way

Spider web (repeat 3x)  
What Ray Charles said...  
In Ray Charles head

All I got's my spider web  
Keepin' me alive  
C'mon Ray

## Let's Just Get Naked

I know what you're hidin' from me  
You know what I'm hidin' from you  
I know that you hurt me real bad  
You know that I hurt you bad too

Let's just get naked  
Just for a laugh  
Let's just get naked  
It's a trip and a half

Here comes that story again  
All about that television show  
Here comes my typical response  
Won't you tell me something I don't know  
And I'm pissed off about bein' the cops  
And you're pissed off about bein' the maid  
And how long till they shut off the phone  
Till the next time we get laid

Let's just get naked  
Just for a laugh  
Let's just get naked  
It's a trip and a half...  
A trip and a half

We've been together so long  
I hope it wasn't just the drugs  
What happened to the energy we had  
The morning glories and the rodeo hugs  
And I know you like the back of my hand  
With a stamp that says I paid to get in  
And yes I am your television show  
And you're the nicest place I've ever been

Let's just get naked  
Just for a laugh  
Let's just get naked  
It wouldn't be so bad...  
Let's just get naked  
Just for a laugh  
Let's just get naked  
It's a trip and a half...

## Help Me

You gotta help me baby, I can't do it all by myself (repeat 2x)  
If you don't help me daddy  
Gotta find somebody else

Put on your nightshirt baby, hand me my morning gown (repeat 2x)  
Don't feel sleepy  
I just feel like lyin' down

Gotta help me baby, help me baby  
Can't do it all by myself  
If you don't help me daddy  
Gotta find somebody else  
Oooh, real quiet, real quiet, real quiet...

You gotta help me baby, gotta help me baby  
Help me baby (repeat 2x)  
Oooh, oooh, oooh...  
Just want a little lovin' before you pass away (repeat 2x)  
Don't help me daddy, I'm gonna find somebody else...

## Crazy Baby

And your hands are really shakin' somethin' awful  
As you light your twenty-seventh cigarette  
Oh, how long have you been sittin' in the darkness  
You forget...

Oh, you know you're gettin' really hard to be with  
And you're cryin' every time you turn around  
And you wonder why you cannot pick your head up  
Off the ground...

Oh, my crazy baby  
Try to hold on tight  
Oh, my crazy baby  
Don't put out the light...  
The light, the light, the light

And they look at you like they don't speak your language  
And you're living at the bottom of a well  
And you've swallowed all the awful bloody secrets  
But you can't tell...

Oh, you know you ought to get yourself together  
But you cannot bear to walk outside your door  
No, you cannot bear to look into the mirror  
Anymore...

Oh, my crazy baby  
Try to hold on tight  
Oh, my crazy baby  
Don't put out the light...  
The light, the light, the light

And your hands are really shakin' somethin' awful  
As your worries climb around inside your clothes  
Oh, how long will you be sittin' in the darkness  
Heaven knows...

Oh, my crazy baby  
Try to hold on tight  
Oh, my crazy baby  
Don't put out the light...  
The light, the light, the light  
The light...

Lumina

Lumina  
Come and wrap around me  
Lumina  
Take me through the snow

Eve took a train, Eve took a train  
Went to see her man  
Melting inside, melting away  
Like butter in the pan

Lumina  
Come and wrap around me  
Lumina  
Take me through the snow

Eve took a fruit, Eve picked a fruit  
Juice ran down her chin  
Babies will put things in their mouths

Never heard of sin

Lumina

Open like the sea

Lumina

Sing me in the dark

Eve had to ask, Eve had to ask

What is wrong with this

Here is the place, now is the time

Let's invent the kiss

Lumina

Come and wrap around me

Lumina

Come and wrap around me...
