Spider Web

I dreamed about Ray Charles last night And he could see just fine

Dreamed about Ray Charles last night And he could see just fine, you know I asked him for a lullaby He said, "Honey, I don't sing no more" No more, no more, no more Ray don't sing no more

He said, "Since I got my eyesight back, my voice has just deserted me. No 'Georgia On My Mind' no more... I stay in bed with MTV."

Then Ray took his glasses off And I could look inside his head Flashing like a thunderstorm I saw a shining spider web

Spider web (repeat 3x) In Ray Charles' head

I dreamed about Ray Charles last night
He took me flying in the air
Showed my own spider webs
Said, "Honey, you had best take care.
The world is made of spider webs
The threads are stuck to me and you
Be careful what you're wishing for
'Cause when you gain you just might lose"
You just might lose your...

Spider web (repeat 3x) What Ray Charles said

When you're feelin' lonely When you're hidin' in your bed Don't forget your string of pearls Don't forget your spider web

When I go to sleep tonight Don't let me dream of brother Ray No, no, no, don't... Don't get me wrong, I'm glad he sees Just like him best the other way

Spider web (repeat 3x) What Ray Charles said... In Ray Charles head

All I got's my spider web Keepin' me alive C'mon Ray

Let's Just Get Naked

I know what you're hidin' from me You know what I'm hidin' from you I know that you hurt me real bad You know that I hurt you bad too Let's just get naked Just for a laugh Let's just get naked It's a trip and a half

Here comes that story again
All about that television show
Here comes my typical response
Won't you tell me something I don't know
And I'm pissed off about bein' the cops
And you're pissed off about bein' the maid
And how long till they shut off the phone
Till the next time we get laid

Let's just get naked Just for a laugh Let's just get naked It's a trip and a half... A trip and a half

We've been together so long
I hope it wasn't just the drugs
What happened to the energy we had
The morning glories and the rodeo hugs
And I know you like the back of my hand
With a stamp that says I paid to get in
And yes I am your television show
And you're the nicest place I've ever been

Let's just get naked Just for a laugh Let's just get naked It wouldn't be so bad... Let's just get naked Just for a laugh Let's just get naked It's a trip and a half...

Help Me

You gotta help me baby, I can't do it all by myself (repeat 2x) If you don't help me daddy Gotta find somebody else

Put on your nightshirt baby, hand me my morning gown (repeat 2x) Don't feel sleepy I just feel like lyin' down

Gotta help me baby, help me baby Can't do it all by myself If you don't help me daddy Gotta find somebody else Oooh, real quiet, real quiet, real quiet...

You gotta help me baby, gotta help me baby Help me baby (repeat 2x) Oooh, oooh, oooh... Just want a little lovin' before you pass away (repeat 2x) Don't help me daddy, I'm gonna find somebody else...

Crazy Baby

And your hands are really shakin' somethin' awful As you light your twenty-seventh cigarette Oh, how long have you been sittin' in the darkness You forget...

Oh, you know you're gettin' really hard to be with And you're cryin' every time you turn around And you wonder why you cannot pick your head up Off the ground...

Oh, my crazy baby Try to hold on tight Oh, my crazy baby Don't put out the light... The light, the light, the light

And they look at you like they don't speak your language And you're living at the bottom of a well And you've swallowed all the awful bloody secrets But you can't tell...

Oh, you know you ought to get yourself together But you cannot bear to walk outside your door No, you cannot bear to look into the mirror Anymore...

Oh, my crazy baby Try to hold on tight Oh, my crazy baby Don't put out the light... The light, the light, the light

And your hands are really shakin' somethin' awful As your worries climb around inside your clothes Oh, how long will you be sittin' in the darkness Heaven knows...

Oh, my crazy baby
Try to hold on tight
Oh, my crazy baby
Don't put out the light...
The light, the light, the light
The light...

Lumina

Lumina
Come and wrap around me
Lumina
Take me through the snow

Eve took a train, Eve took a train Went to see her man Melting inside, melting away Like butter in the pan

Lumina
Come and wrap around me
Lumina
Take me through the snow

Eve took a fruit, Eve picked a fruit Juice ran down her chin Babies will put things in their mouths

Never heard of sin

Lumina Open like the sea Lumina Sing me in the dark

Eve had to ask, Eve had to ask What is wrong with this Here is the place, now is the time Let's invent the kiss

Lumina
Come and wrap around me
Lumina
Come and wrap around me...
