

Joan Osborne, Make You Feel My Love

When the rain is blowing on your face
and the whole world is on your case
I could offer you a warm embrace
to make you feel my love
When the evening shatters
and the stars appear
and there is no one there
to dry your tears
I could hold you for a million years
to make you feel my love
I know you haven't made your mind up yet,
but I would never do you wrong
I've known it from the moment that we met,
no doubt in my mind where you belong
I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
No there's nothing that I wouldn't do
to make you feel my love
The storms are raging on the the rolling sea
and on the highway of regret
The winds of change are blowing
wild and free
you ain't seen nothing like me yet
I could make you happy,
make your dreams come true
There is nothing that I wouldn't do
Go to the ends of the earth for you
to make you feel my love
