

# Joanna Liszowska, Into U

i don't wanna say goodbye  
i don't wanna leave you behind  
that's fine

i don't wanna be the one killing of the spark in your eyes  
not right

and I know, I know, I know  
I was wrong  
and I know, I know, I know  
you're the one

and i don't wanna say goodbye  
if leaving you makes us alive

let's make a miracle  
bring back the beautiful tonight  
coz you only I'm into you, into you  
turn on the radio  
make 'em play our favorite song tonight  
coz you know I'm into you, into you

I wish I had seen the sighs  
I wish them I could stop rewind  
this time  
but if we only face the time  
know that the hurt the ...  
inside

and I know, I know, I know  
I was wrong  
and I know, I know, I know  
you're the one

and i don't wanna say goodbye  
if leaving you makes us alive

let's make a miracle  
bring back the beautiful tonight  
coz you only I'm into you, into you  
turn on the radio  
make 'em play our favorite song tonight  
coz you know I'm into you, into you

i am sorry, to you  
you're my miracle  
indestructible  
i am sorry, to you  
let's get ....?.....  
cuz I am into you  
into you  
into you

let's make a miracle  
bring back the beautiful tonight  
coz you only I'm into you, into you  
turn on the radio  
make 'em play our favorite song tonight  
coz you know I'm into you, into you
