Jodi Benson, Vain

I'm walkin' down the sidewalk People turn to stare at me And I'm wonderin' why-ay... People are so vain, yeah-ah-ah

Chorus:

I know my hair ain't fixed up nice And I've got some bad acne But who cares?..whatever Tha-ah-t's me

I want to cuss 'em out But I contain myself They shouldn't be starin' It's the personality that counts

Chorus:

I know my hair ain't fixed up nice, And I 've got some bad acne But who cares?..whatever Tha-ah-t's me.
