

Joe Cocker, I Ain't Gonna Cry Again

You'Re A Mystery To Me
You Make Your Own Reality
And I Wonder Who You Are Beneath Your Skin
Guess I'LI Never Know For Sure
But I Was Safe Behind My Door
Can'T Think How I Let You Talk Your Way Back In
Should Have Known Better Then
But I Know Better Now

You Can'T Hurt Me Anymore
I'M Not The Fool I Was Before
I Ain'T Gonna Cry Again
I Don'T Believe The Lies You Tell
So Take Your Heart And Go To Hell
Cause I Aint Gonna Cry Again

You Think I Need You But I Don'T
You Think I'LI Break Down But I Won'T
You'Ve Had Everything You'Re Gonna Get From Me
Saw Your Pleasure In My Pain
And It Released Me From My Chains
And I Woke Up To My Own Insanity
Waiting For Changes That Were
Never Gonna Come

You Can'T Hurt Me Anymore
I'M Not The Fool I Was Before
I Ain'T Gonna Cry Again
I Don'T Believe The Lies You Tell
So Take Your Heart And Go To Hell
Cause I Aint Gonna Cry Again
I Ain'T Gonna Cry Again

Now That I See You'Re Twisted
I Don'T Know How I Missed It Before
Maybe That'S What Drew Me To You
But This Is Now And That Was Then
You'LI Never Make Me Cry Again

Should Have Known Better Then
But I Know Better Now

You Can'T Hurt Me Anymore
I'M Not The Fool I Was Before
I Ain'T Gonna Cry Again
I Don'T Believe The Lies You Tell
So Take Your Heart And Go To Hell
Cause I Aint Gonna Cry Again
