Joe Cocker, I Ain't Gonna Cry Again

You'Re A Mystery To Me You Make Your Own Reality And I Wonder Who You Are Beneath Your Skin Guess I'LI Never Know For Sure But I Was Safe Behind My Door Can'T Think How I Let You Talk Your Way Back In Should Have Known Better Then But I Know Better Now

You Can'T Hurt Me Anymore I'M Not The Fool I Was Before I Ain'T Gonna Cry Again I Don'T Believe The Lies You Tell So Take Your Heart And Go To Hell Cause I Aint Gonna Cry Again

You Think I Need You But I Don'T You Think I'Ll Break Down But I Won'T You'Ve Had Everything You'Re Gonna Get From Me Saw Your Pleasure In My Pain And It Released Me From My Chains And I Woke Up To My Own Insanity Waiting For Changes That Were Never Gonna Come

You Can'T Hurt Me Anymore I'M Not The Fool I Was Before I Ain'T Gonna Cry Again I Don'T Believe The Lies You Tell So Take Your Heart And Go To Hell Cause I Aint Gonna Cry Again I Ain'T Gonna Cry Again

Now That I See You'Re Twisted I Don'T Know How I Missed It Before Maybe That'S What Drew Me To You But This Is Now And That Was Then You'LI Never Make Me Cry Again

Should Have Known Better Then But I Know Better Now

You Can'T Hurt Me Anymore I'M Not The Fool I Was Before I Ain'T Gonna Cry Again I Don'T Believe The Lies You Tell So Take Your Heart And Go To Hell Cause I Aint Gonna Cry Again
