

# Joe Cocker, Isolation

(John Lennon)

People say we got it made don't they know we're so afraid  
we're afraid to be alone, everybody got to have a home  
Isolation

Just a boy and a little girl  
trying to change the whole wide world  
Isolation

All the world is a little town  
everybody trying to put us down  
Isolation

I don't expect you to understand  
after you caused so much pain  
But the again you're not to blame  
your just a human, a victim of the insane

We're afraid of everyone, afraid of the sun  
Isolation

The Sun will never disappear  
but the world my not have many years  
Isolation
