

# Joe Cocker, Leave A Light On

(John Shanks/CJ Vanston/Shelly Peiken)

Everytime it rains  
I feel this way again  
Like I'm somewhere  
Out there lost in time  
Miss me while I'm gone  
That's all I really want  
And the promise of tomorrow  
Will fill our open arms

[Chorus:]  
I believe there's a reason  
Why it's ment to be  
I believe there's a way  
That we can love and still be free  
And if your heart's burning bright then  
That's all I need  
Yes it's right where I need to be  
So leave a kight on  
Leave a light on for me

We're dancing our own dance  
It's a beautiful romance  
And nobody can tell us how to move  
We'r not close enough to touch  
That doesn't matter much  
'cause our spirits are connected  
And we're not just passing through

[Chorus]  
From your window I can see a soul that shines  
I close my eyes, but yours still find a way to mine  
Deep down, deep down

Everytime it rains  
I feel this way again  
Like I'm somewhere  
Out there lost in time

[Chorus]
