

Joe Cocker, Love Don't Live Here Any More

(Miles Gregory)

You abandoned me
Love don't live here any more
Just look back and see
Love don't live here any more

When you lived inside of me
There was nothing in the world you wouldn't do for me
Trouble seemed so far away
Then you changed and went away
And you abandoned me
Love don't live here any more
Just look back and see that
Love don't live here any more
Any more

Love don't live here any more
Just emptiness and memories over what we had before
Why did you have to go away
Find another place to stay
You abandoned me
Love don't live here any more
Just look back and see
Love don't live here any more
Yeah

Through the windows in my eyes
Everyone can see the loneliness inside of me
Don't you know I need you so
Why did you have to go
And abandon me
Love don't live here any more
Just look back and see that
Love don't live here any more
Yeah, don't live here any more
Love don't live here, don't live here any more
Any more

You went away and left me
Now love don't live here any more
Any more
Love don't live here any more
