

# Joe Cocker, Soul Rising

Yesterday, I Was Out In The Rain  
Wondering When I'D See The Sun Again  
Lonely Hearts, Baby, I Wrote The Book  
Since She Walked Away Without A Second Look

Ohbut Now I Feel Good  
Cos' You Look At Me  
The Way A Woman Should

I Feel My Soul Rising To A New Love  
No Blues I Can'T Rise Above  
I Feel My Soul Rising When I'M Close To You  
When Your With Me Girl  
There'S Nothing I Can'T Do

Yesterday I Was Falling Apart  
Picking Up Pieces Of My Broken Heart  
Yeah. But One Touch Of Your Healing Hand  
24 Hours Later I'M A Whole New Man

Yeah, And I'M Stronger Now  
Cos' You Make The World A Better Place Some How

I Feel My Soul Rising To A New Love  
No Blues I Can'T Rise Above  
I Feel My Soul Rising When I'M Close To You  
When Your With Me Girl  
There'S Nothing I Can'T Do

I Got Sunshine On A Brand New Day  
And The Grey Clouds Have All Drifted Away  
And There'S Nobody That I Can'T Be  
If It'S You And Me
