

Joe Dolan, Make Me an Island

Different eyes, different sighs
Different girls every day
Different names, different games took my breath clean away
But I'm changed, rearranged, I'm enlightened and how
you have caught me, you have taught me and I'm different now
Take me and break me and close all your windows and doors
Shut me off, cut me off, make me an island, I'm yours
Take me away from the world, take me away from the girls
Take me and break me and make me an island, I'm yours
Running round, shifting ground, that's the life I have seen
But I'm tired, uninspired and I've wiped my slate clean
You are mine, I am yours if the Lord will allow
You have caught me, you have taught me and I'm different now
Take me and break me and close all your windows and doors
Shut me off, cut me off, make me an island, I'm yours
Take me away from the world, take me away from the girls
Take me and break me and make me an island, I'm yours
