

# Joe Ely, Pins And Needles

I ain't been sleepin'; I ain't been eatin';  
I been on pins and needles waitin'; by the phone  
You better call me  
You better call me  
I been on pins and needles waitin'; by the phone  
You better call me  
Or I'll  
Go Crazy!

I ain't been tryin'; I feel like dyin';  
I been on pins and needles waitin'; by the phone  
You better call me  
You better call me  
I been on pins and needles waitin'; by the phone  
You better call me  
Or I'll  
Go Crazy!

I should've known when you said so long  
To run another telephone line  
The operator told me said, 'Joe lay low  
Before You lose Your mind.'

I feel forsaken, my heart is achin';  
I been on pins and needles waitin'; by the phone  
You better call me  
You better call me  
I been on pins and needles waitin'; by the phone  
You better call me  
Or I'll  
Go Crazy!
