

Joe Perry Project, Never Wanna Stop

Baby won't you empty your pockets
Baby won't you empty your heart
Baby won't you empty those empty eyes
Pretty lady give it a stop
Mister won't ya give me the papers
Mister won't ya give me the goods
Come on baby
Gonna strike it rich
Like a rock 'n' roll Robin Hood
I never (never)
I never (never)
Never wanna stop
I never (never)
Never (never)
Never wanna stop

Sister won't ya tell me a story
Sister won't ya tell me a tale
Judge and the jury
And the district attorney
Gonna try to put my ass in jail
Mama won't ya give me a blessing
Mama won't ya give me a sign
Mama won't ya give me all your love
Never gonna do no time

I said I never (never)
Never (never)
Never wanna stop
Never (never)
Never (never)
Never wanna stop

Never (never)
I never (never)
Never wanna stop
Never (never)
Never (never)
Never wanna stop

Santa won't ya give me your loving
Santa won't ya make me high
Santa won't ya light up all the stars
That light up in the sky
High up in the mountains
In the valley low
The blackness of the desert night
And ?????? white as snow
Baby won't ya give me a reason
Baby won't ya make me smile
Baby won't ya plan my getaway
I swear I'll never do no time

I said I never (never)
Never (never)
Never wanna stop
Never (never)
Never (never)
Never wanna stop

Never (never)
Never (never)
Never wanna stop
Never (never)

Never (never)
Never wanna stop

Stop!
Ain't nobody gonna stop us
Ain't nobody gonna stop us
Here we come
Ya know it changes address
(Various *low sound* conversation)
