

Joe Walsh, Love Letters

Love letters straight from your heart
Keep us so near, yet apart
I'm runnin' low in the night
When I can have all the love you write

I memorize every line
And I kiss the name that you sign, yes I do
And darling then I read again right from the start
Love letters straight from your heart

Love letters straight from your heart
Keep us so near, yet apart
I'm runnin' low in the night
When I can have all the love you write

I memorize every line
I kiss the name that you sign, oh darling
And only then I read again right from the start
Love letters straight from your heart
Keep 'em coming
Love letters straight from your heart
