

# Joee, Somebody

I want somebody to share  
Share the rest of my life  
Share my innermost thoughts  
Know my intimate details  
Some one who will stand by  
my side  
And give me support  
And in return  
Shell get my support  
She will listen to me  
When I want to speak  
About the world we live in  
And life in general  
Though my views may  
be wrong  
They may even be perverted  
She will hear me out  
And wont easily be converted  
To my way of thinking  
In fact she will often disagree  
But at the end of it all  
She will understand me

I want somebody who cares  
for me passionately  
With every thought and with  
every breath  
Some one who will help me  
see things  
In a different light  
All the things i detest  
I will almost like  
I dont want to be tied  
To any one strings  
Im carefully trying to steer clear  
of those things  
But when im asleep  
I want somebody  
Who will put there arms  
around me  
And kiss me tenderly  
Though things like this  
Make me sick  
In a case like this  
Ill get away with it
