

Joel Compass, Fucked Up

Fuck, I just woke up
It's a new morning
Oh shit, she's calling me
Who's this in our bed?
Why is she still asleep?
How do I ask her to leave?
Oh shit, she's calling me

I'm so fucked up
And this girl won't wake up
How did I forget you?
After (?) we've been through
Said, I'm so fucked up
And this girl won't wake up
All these years that we've been through
And I killed it in a night
Yeah, I killed it in a night

It's too late, I can't take it back
Cause guilt's like a stone
That I've thrown
Thought that I've grown
But I sink in my eyes (?)
I'm undoing all good times
And all the memories
I've left behind

I'm so fucked up
And this girl won't wake up
How did I forget you?
After (?) we've been through
Said, I'm so fucked up
And this girl won't wake up
All these years that we've been through
And I killed it in a night
Yeah, I killed it in a night

She keeps calling me
But, I can't pick up the phone
She keeps calling me
But, I'm not alone
She keeps calling me
But, I can't pick up the phone
If she keeps calling me, I'm gone

I'm gone

I'm so fucked up
And this girl won't wake up
How did I forget you?
After (?) we've been through
Said, I'm so fucked up
And this girl won't wake up
All these years that we've been through
And I killed it in a night
Yeah, I killed it in a night
