## John Holt, Ali Baba

My dream last night was about Ali Baba With the forty thieves Tom, Tom, the piper's son, he was there with me

I rode through the valley with the princess by my side The Duke and the Duchess was there to meet me with a smile

Alice was there in a Wonderland Staring far away The three blind mice was there with me To tell the Teddybear the tale

The Teddybear came smiling there with a big smile The little Bo-peep has lost a sheep last night

Dream last night about Ali Baba With the forty thieves Tom, Tom, the piper's son, he was there with me

I rode through the valley with the princess by my side The Duke and the Duchess did a Reggae Reggae Reggae last night
