

# John Legend, All She Wanna Do (feat. Saweetie)

She moves in peculiar ways  
This room is nothin' more than her stage  
It's so cruel  
The life of the party  
She'll be the death of me  
I told her, "You're the love of my night  
I won't stop 'til you're the love of my life  
I won't stop 'til you're the one that I'm takin' home  
One I've been waitin' for"  
But all she wanna do is  
All she wanna do is  
All she wanna do is dance  
All I wanna do is get up on her  
Got me in the palm of her hands  
All I wanna touch is her nirvana  
Feels like I've been waitin' for  
Forever and a night to get this chance  
But all she wanna do is  
All she wanna do is  
All she wanna do is dance  
All I wanna do is pull her closer  
Got me in the palm of her hands  
She don't want this song to be over  
Feels like I've been waitin' for  
Forever and a night to get this chance  
But all she wanna do is  
All she wanna do is  
Daylight, can't get away from the flashin' lights  
She on the run, tryna chase that high, yeah  
The life of the party  
She'll be the death of me  
I told her, "You're the love of my night  
I won't stop 'til you're the love of my life  
I won't stop 'til you're the one that I'm takin' home  
One I've been waitin' for" (no)  
But all she wanna do is  
All she wanna do is dance  
All I wanna do is get up on her  
Got me in the palm of her hands  
All I wanna touch is her nirvana  
Feels like I've been waitin' for  
Forever and a night to get this chance  
But all she wanna do is  
All she wanna do is  
Dance  
Wanna dance, dance, dance, dance, dance (uh)  
All she wanna do  
Wanna dance, dance, dance, dance, dance (ooh)  
All she wanna do  
Wanna dance, dance, dance, dance, dance (yeah-yeah, uh)  
All she wanna do, all she wanna do, all she wanna do is (yeah)  
All she wanna do is dance  
All I wanna do is get up on her  
Got me in the palm of her hands  
All I wanna touch is her nirvana  
Feels like I've been waitin' for  
Forever and a night to get this chance  
But all she wanna do is  
All she wanna do is  
All she wanna do is dance (hey)  
All I wanna do is get up on her  
Got me in the palm of her hands  
All I wanna touch is her nirvana  
Feels like I've been waitin' for

Forever and a night to get this chance  
But all she wanna do is  
All she wanna do is  
All she wanna do is dance (hey)  
All I wanna do is pull her closer  
Got me in the palm of her hands  
She don't want this song to be over  
Feels like I've been waitin' for  
Forever and a night to get this chance (oh)  
All she wanna do is  
All she wanna do is
