

John Legend, Conversations in the Dark

talk less our conversations in the dark
world is sleeping
I am awake whit you, whoit you
watch movies that we've both already seen
I ain't even looking at the screen
it's true
I got my eyes on you

and you say that you're not worth it
you get hung up on your flaws
whit my eyes
you are perfect as you are

I won't ever try to change you
change you
I will always want the same you
same you
swear on everything I pray to
that I won't break your heart
I'll be there when you get lonely
lonely
keep the secrets that you told me
told me
and your love is all you owe me
and I won't break your heart

on Sunday mornings we sleep in till noon
oh I could sleep wherever next yto you
next to you
and we , we got places we both gotta be
but there ain't nothing I would rather do
than blow off all my plans for you

and you say that you're not worth it
you get hung up on your flaws
whit my eyes
you are perfect as you are

I won't ever try to change you
change you
I will always want the same you
same you
swear on everything I pray to
that I won't break your heart
I'll be there when you get lonely
lonely
keep the secrets that you told me
told me
and your love is all you owe me
and I won't break your heart
