

# John Lennon, Mr. Hyde's Gone (Don't Be Afraid)

Don't be afraid  
It's just the wind and light  
Don't be afraid  
This house is very strange  
In the morning we'll be gone, don't be afraid

We'll watch the dawn till the sun comes up  
Drinking coffee from our favourite cup  
Girl, you've been good to me so don't be afraid tonight

Don't be afraid  
It's just the cats at play  
Don't be afraid  
They do it night and day, how very strange  
They've gone by the morning so don't be afraid of me

We'll dream around till the dawn comes up  
Drinking coffee from our favourite cup  
Girl, you've been good to me, don't be afraid tonight

Don't be afraid  
Don't be afraid  
(Scat sing) don't be afraid  
Mr. Hyde, he's really gone away  
Won't be back till next full moon  
So we can bill and spoon  
In June and croon, be-woon, be-woon, be  
Can you stand it?
