

John Mayer, Bare Ballin It

so we were in the hot tub today:

There's a new sensation

Sweeping all the nation,

and they're calling it bare ballin it, bare ballin it.

Well i seem to have forgotten that crucial layer of cotton

I'm ballin it, we're all in it, we're bare ballin it,

There's nothing that you don't see,

After my jeans it's only just me.

Call me a "Fleshy Fernando",

I'm goin commando!

I'm ballin it,

There's a new sensation sweepin all the nation,

and they're callin it (they're callin it)

they're callin it (they're callin it) bare ballin it
