

# John Mayer, Clarity

I worry, I weigh three times my body  
I worry, I throw my fear around  
But this morning, there's a calm I can't explain  
The rock candy's melted, only diamonds now remain

Ooh ooh ooh ooh

By the time I recognize this moment  
This moment will be gone  
But I will bend the light, pretend that it somehow lingered on  
Well all I got's

Ooh ooh ooh ooh

And I will wait to find  
If this will last forever  
And I will wait to find  
If this will last forever  
And I will pay no mind  
When it won't and it won't because it can't  
It just can't  
It's not supposed to

Was there a second of time that I looked around?  
Did I sail through or drop my anchor down  
Was anything enough to kiss the ground?  
And say I'm here now and she's here now

Ooh ooh ooh ooh  
Ooh ooh ooh ooh

So much wasted in the afternoon  
So much sacred in the month of June  
How bout you

And I will wait to find  
If this will last forever  
And I will wait to find  
That it won't and it won't  
Because it won't  
And I will waste no time  
Worried 'bout no rainy weather  
And I will waste no time  
Remaining in our lives together
