

# John Mayer, Every Little Thing She Does

Freshman year,  
Mom asks "What do you want to do  
when you get out of here?"  
I said, "Well, gee, I'm only 13,  
but I think I'd like to play my guitar...  
be a star."  
"Well," she said, "that's not it,  
you got time to go.  
Good sense will kick in anytime, you know.  
I'm not worried, I'm not worried."  
Sophomore year,  
she asked the same old thing,  
my answer had remained unchanged.  
I saw her fidget with her thumbs.  
She said, "You like computers, John,  
you like computers, don't you?  
Yeah, I always see you with computers...  
you like computers  
maybe you could do something with computers.  
Yeah, wouldn't that be nice?"  
Junior year,  
It's a little more intense,  
She says, "What do you want to do with your life?"  
I'm not on the fence, I know exactly what I aim to be,  
and I'm only 17.  
She said, "Well, all I ask, is that you pay attention in class,  
so if you happen to change your mind in time,  
you can still go somewhere reputable...  
do us proud."  
So I went downstairs,  
and I played guitar loud.  
Yeah, senior year,  
Same old question,  
She said, "What do you want to do?"  
I said, "Play my guitar and sing."  
She said, "There's no such thing."  
She said, "There's no such thing..."  
(speaking: I love you Mom)  
"Welcome to the real world", she said to me  
Condescendingly  
Take a seat, take your life  
Plot it out in black and white  
Well, I never lived the dreams of the prom kings  
And the drama queens  
I'd like to think the best of me  
Is still hiding up my sleeve  
They love to tell you  
Stay inside the lines  
But something's better  
On the other side  
I wanna run through the halls of my high school  
I wanna scream at the top of my lungs  
I just found out there's no such thing as the real world  
Just a lie you've got to rise above  
So the good boys and girls take the so called right track  
Faded hats  
Grabbing credits  
and maybe transfers  
They listen to Phish, but they can't find the answers  
And all of our parents  
They're getting older  
I wonder if they've wished for anything better  
While in their memories  
Tiny tragedies

They love to tell you  
Stay inside the lines  
Well, well something's better  
On the other side  
I wanna run through the halls of my high school  
I wanna scream at the top of my lungs  
I just found out there's no such thing as the real world  
Just a lie you got to rise above  
I am invincible..  
You are invincible.. (yeah you are)  
We are invincible..  
As long as we're alive  
Do I have to tell a story  
of a thousand rainy days  
since we first met?  
It's a big enough umbrella  
but it's always me  
that ends up getting wet.  
I wanna run through the halls of my high school  
I wanna scream at the top of my lungs  
I just found out there's no such thing as the real world  
Just a lie you've got to rise above  
I just can't wait til my 10 year reunion  
I'm gonna bust down the double doors  
And when I stand on these tables before you  
You will know what all this time was for
