

# John Mayer, Good Love Is On The Way

I'm a lazy lover  
Undercover  
Wasting time  
Then one day this summer  
I changed my number  
To cut my line

Good love is on the way  
I been lonely but I know, I'll be ok  
Good love is on the way

3 years broken hearted  
But now her ghost is finally gone  
I'm done with broken people  
This is me  
I'm working on (cause I know)

Good love is on the way  
I've been lonely but I know, I'll be ok  
Good love is on the way

Good to go for wherever I'm needed  
Bags are packed and I'm  
Down by the door  
You can take all the tricks up my sleeve  
I don't need them anymore

Good to go for wherever I'm needed  
Bags are packed and I'm  
Down by the door  
You can take all the tricks up my sleeve  
I don't need them anymore

Good love is on the way  
I've been lonely, lonely, lonely, yeah  
Good love is on the way  
I've been lonely but I know I'll be ok  
Good love is on the way  
Oh, Good love is on the way, hey
