

John Mayer, I Love Rock And Roll

Britney talking--hey is this thing on?
i saw him dancing there by the record machine
i knew he musta been about 17
the beat was going strong
play my favorite song
i could tell it wouldnt be long
till he was with me (yeah with me)
i could tell it wouldnt be long
till he was with me (yeah with me)
singing...
i love rock 'n' roll
so put another dime in the jukebox baby
i love rock 'n' roll
so come and take the time and dance with me
yaoww
he smiled
so i got up and asked for his name
"but that dont matter" he said
cause its all the same
he said can i take ya home
where we can be alone
and next we're moving on
and he was with me (yeah with me)
and we were moving on
and singing that same old song(yeah with me)
singing i love rock 'n' roll
so put another dime in the juke box baby
i love rock 'n' roll
so come and take the time and dance with me
yaaow
i love rock 'n' roll yeah cause it soothes the soul
i love rock 'n' roll yeah
