

# John Mayer, In Your Atmosphere (Acoustic)

I don't think I'm gonna go to LA anymore  
I don't think I'm gonna go to LA anymore  
I don't know what it's like to land and not race to your door  
But I don't think I'm gonna go to LA anymore

I don't think I'm gonna go to LA anymore  
I'm not sure that I really ever could  
Hold on to a hotel key  
in your bedroom neighborhood  
With me sleep walking in Hollywood

I'm gonna steer clear  
Burn up in your atmosphere  
I'm gonna steer clear  
Cause I'd die if I saw you  
I'd die if I didn't see you there  
So I don't think I'm gonna go to LA anymore

I don't think I'm gonna go to LA anymore  
Get lost on the boulevard at night  
Without your voice to tell me  
I love you, take a right  
The ten and the two is a lonely sight

I'm gonna steer clear  
Burn up in your atmosphere  
I'm gonna steer clear  
Cause I'd die if I saw you  
I'd die if I didn't see you

I'm gonna steer clear  
Burn up in your atmosphere  
I'm gonna steer clear  
Cause I'd die if I saw you  
I'd die if I didn't see you there, see you there

I think I'm gonna stay gonna stay, gonna stay in the grey, think i'm gonna stay  
All the street lights say nevermind nevermind  
All the canyon lines say nevermind  
Sunset says we see this all the time, nevermind never you mind

Post Bridge:  
Where ever I go  
What ever I do  
I wonder where I am in my relationship to you

Where ever you go  
Where ever you are  
I watch your life play out in pictures from afar

Where ever I go  
what ever I do  
I wonder where I am in my relationship to you

Where ever you go  
Where ever you are  
i watch your pretty life play out in pictures from afar
