

# John Mayer, Last Train Home

If you wanna rill me  
Then you gotta roll me all night long  
And if you wanna use me  
The you gotta use me til i am gone  
I am not a fallen angel  
I just fell behind  
I am out of luck and i am out of time  
If you don't wanna love me  
Let me go  
I am running for the las train  
I am running for the las train home

If you wannna know me  
Than you gotta know me through and through  
And if you're gonna hurt me  
Then you gotta hold me next to you  
No matter how you worki t things go wrong  
I put my heart where it don't belong  
So if you're comin' with me let me know  
Maybe you're the las train  
Maybe you're the last train home

I am running for the las train  
I am running for the las train  
And i surrender  
And i surrender
