

# John Mayer, New Deep

I'm so alive  
I'm so enlightened  
I can barely survive  
A night in my mind  
I've got a plan  
I'm gonna find out just how boring I am  
And have a good time

Cause ever since I tried  
Trying not to find  
Every little meaning in my life  
It's been fine  
I've been cool  
With my new golden rule

Numb is the new deep  
Done with the old me  
And talk is the same cheap it's been

Is there a God?  
Why is he waiting?  
Don't you think of it odd  
When he knows my address?  
And look at the stars  
Don't they remind you of just how feeble we are?  
Well it used to, I guess

Cause ever since I tried  
Trying not to find  
Every little meaning in my life  
It's been fine  
I've been cool  
With my new golden rule

Numb is the new deep  
Done with the old me  
And talk is the same cheap  
It's been

I'm a new man  
I wear a new cologne and  
You wouldn't know me if your eyes were closed  
I know what you'll say  
'This won't last longer than the rest of the day'  
But you're wrong this time  
You're wrong

Numb is the new deep  
Done with the old me  
I'm over the analyzing  
Tonight

Stop trying to figure it out  
(you try to figure, you try to figure it out)  
It will only bring you down  
You know, I used to be the back  
porch poet with my book of rhymes  
Always open knowing all the time I'm probably  
Never gonna find the perfect rhyme  
For 'heavier things'
