

John Mayer, Still Feel Like Your Man

I still feel like you man /2x

I still feel /2x

I still feel like your man

The prettiest girl in the room she wants me

I know because she told me so

She said: Come over, I'd like to get to know you

But I just don't think I can

Coz I still feel like your man

Still feel like your man /4x

I still keep your shampoo in my shower

In case you wanna wash your hair

And I knpw that you probably found yourself some more somewhere

But I do not really care

Coz as long as it is there

Still feel like your man /4x

Still like the letters in your name and how they feel, babe

Still think I;m never gonna find another you

Still like to leave the party early and go home, babe

And don't you know, babe

I'd rather sit here on my own and be alone

Coz I still feel like your man

Still feel like your man /4x
