

# John Mayer, Who You Love (feat. Katy Perry)

You?ll love, who you love, who you love  
You?ll love, who you love, who you love

My girl she ain?t the one that I saw coming  
Sometimes I don?t know which way to go  
And I try to run before but I?m not running anymore  
Because I fought against it hard enough to know

That you?ll love who you love who you love  
You?ll love, who you love, who you love  
You?ll love, who you love, who you love  
Oh you can?t make yourself stop dreaming of who you?re dreaming of  
If it?s who you love then it?s who you love

[Katy Perry:]

My boy he ain?t the one that I saw coming  
And some have said his heart?s too hard to hold  
And it takes a little time but you should see him when he shines  
Because you never wanna let the feeling go  
When you love who you love who you love  
You?ll love, who you love, who you love  
Yeah you?ll love, who you love, who you love  
Oh you can?t make yourself stop dreaming of who you?re dreaming of  
If it?s who you love then it?s who you love

Oh, you?ll love, who you love, who you love  
You?ll love, who you love, who you love  
You?ll love, who you love, who you love  
Oh you can?t make yourself stop dreaming of who you?re dreaming of  
If it?s who you love then it?s who you love

It?s who you love  
Who you love  
Who we love  
Ooo your love yeah yeah yeah  
You?re the one I love
