

John Mayer, Wildfire

River's strong, you can swim inside it
You can string some lights up here beside it
Tonight the moon's so bright you could drive with your headlights out
'Cause a little bit of summer's what the whole year's all about

You look fine, fine, fine, put your feet up next to mine
We can watch that borderline get higher and higher
Say, say, say in a different kind of way
You and me been catchin' on like a wildfire

Don't get up just to get another, you can drink from mine, we can't leave
each other
We can dance with the dead, you can rest your head on the shoulder if you
want to get older than me
'Cause a little bit of summer makes a lot of history

You look fine, fine, fine, put your feet up next to mine
We can watch that borderline get higher and higher
Say, say, say in a different kind of way
You and me been catchin' on like a wildfire
