

# John Newman, Called It Off

There is nothing I won't do to be the world and stars for you  
Just so we don't have to move  
Can't you see?  
I'm meant to be your man

I'll be that sun that doesn't rise, shut the blinds and start the light  
You can rest you tired eyes  
Can't you see?  
I'm meant to be your man  
But you called it off  
Yeah, you called it off  
Al right, c'mon

Yeah, you called it off, off  
Yeah, you called it off, off

I will be your moon at night, guard you and I will bring you light. Just to know you are all right  
Can't you see?  
I'm meant to be your man

I will be the storm that rains on you, drown your tears with while I do, I got nothing left to lose  
Can't you see?  
I just need to be your man  
But you called it off  
Yeah, you called it off  
Al right, c'mon

Yeah, you called it off, off  
Yeah, you called it off, off

Give it all, give me all that soul  
Give it all, you gotta give me that soul  
Give it all, give me all that soul  
Give it all, you gotta give me that soul

Give it all, give me all that soul  
Give it all, you gotta give me that soul  
Give it all, give me all that soul  
Give it all, you gotta give me that soul

Give it all, give me all that soul  
Give it all, you gotta give me that soul  
Give it all, give me all that soul  
Give it all, you gotta give me that soul

Give it all, give me all that soul  
Give it all, you gotta give me that soul  
Give it all, give me all that soul  
Give it all, you gotta give me that soul

Yeah, you called it off, off  
Yeah, you called it off, off

Yeah, you called it off, off  
(Give it all, give me all that soul.)  
(Give it all, you gotta give me that soul.)  
(Give it all, give me all that soul.)  
(Give it all, you gotta give me that soul.)  
Yeah, you called it off, off  
(Give it all, give me all that soul.)  
(Give it all, you gotta give me that soul.)  
(Give it all, give me all that soul.)  
(Give it all, you gotta give me that soul.)

Give it all, give me all that soul  
Give it all, you gotta give me that soul  
Give it all, give me all that soul  
Give it all, you gotta give me that soul
