

# John Newman, Killing Me

I know I said it, from the start  
There ain't no pressure, there will be months apart  
But I can feel it, it's kicking me  
My paranoia, is back again

[Pre-Chorus]

So you, you got to stop this, you got to stop this  
Cause I can taste your broken kiss, your broken kiss  
It doesn't stop me to tell you this

[Chorus]

No games, are ki-ki-ki-ki-killing me  
Can't you see, this ain't the way it's meant to be  
No games, are ki-ki-ki-ki-killing me  
No games baby, no games, alright

[Verse 2]

It's been six months since this began  
On a bedroom floor in a la-la-land  
With times are changing, I met your dad  
I tell my mother, yo that's not her

[Pre-Chorus]

So you, you got to stop this, you got to stop this  
Cause I can taste your broken kiss, your broken kiss  
It doesn't stop me to tell you this

[Chorus]

No games, are ki-ki-ki-ki-killing me  
Can't you see, this ain't the way it's meant to be  
No games, are ki-ki-ki-ki-killing me  
No games baby, no games, alright

[Brigde]

They don't know you like me  
They don't see what I see  
Them guys don't want your heart, heart  
They don't know you like me  
They don't see what I see  
They won't tell you what (?)

[Chorus]

No games, are ki-ki-ki-ki-killing me  
Can't you see, this ain't the way it's meant to be  
No games, are ki-ki-ki-ki-killing me  
No games baby, all sing it  
No games, are ki-ki-ki-ki-killing me  
Can't you see, this ain't the way it's meant to be  
No games, are ki-ki-ki-ki-killing me  
No games baby, no games, alright  
No games, are ki-ki-ki-ki-killing me  
Can't you see, this ain't the way it's meant to be  
No games, are ki-ki-ki-ki-killing me  
No games baby, no games, alright
