John Newman, Lifted

Feel like a superhero, what type of dreams are these I'm as high as a eagle, I'm taller than the trees And I can't turn back, I tell my heart relax Late at night, in the dark, I close my eyes And suddenly everything is gone

I'll be lifted, lifted, lifted Reach up for the light I'll be lifted, lifted, lifted Devil can't catch me tonight I'm not afraid, and I'm not alone Even if I'm dancing on my own I'll be lifted, lifted, lifted

All I hear is music, I'm losing all control I have no excuses, can't say I wasn't told If the sky turns black, I'll tell my heart relax Late at night, in the dark, I close my eyes And suddenly everything is gone

I'll be lifted, lifted, lifted Reach up for the light I'll be lifted, lifted, lifted Devil can't catch me tonight I'm not afraid, and I'm not alone Even if I'm dancing on my own I'll be lifted, lifted, lifted

Feels like I finally finally found it More than I, than I could have ever imagined After all this waiting and this holding on Suddenly everything was gone

I'll be lifted, lifted, lifted Reach up for the light I'll be lifted, lifted, lifted Devil can't catch me tonight I'm not afraid, and I'm not alone Even if I'm dancing on my own I'll be lifted, lifted
