

John Newman, Running

(Verse)

100 Days, 2000 miles
To you I'd run through day and night
We've got to finish what we started
We've got a lot to rescue darling

(Verse)

My shirt is torn, the shoes are worn
My birth's been drawn but still I'm strong
I feel like I'm a force of nature
But guess who made you my creator

(Pre-Chorus)

Tryin stop a river when it wants to rise
Tryin to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no no

(Chorus)

And I keep keep running
I keep keep running
I keep keep coming back for more, no no
Keep running
I keep keep running
I keep keep coming back for more, no

(Verse)

I've got to tell you know I've crossed the time
I've crossed through time
And giving up never crossed my mind
I feel like I'm a force of nature
But guess who made you my creator

(Pre-Chorus)

Tryin stop a river when it wants to rise
Tryin to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no no

(Chorus)

And I keep keep running
I keep keep running
I keep keep coming back for more, no no
Keep running
I keep keep running
I keep keep coming back for more, no
Yea I keep

(Pre-Chorus)

Tryin stop a river when it wants to rise
Tryin to stop a blaze off a burning fire
I'm a hurricane, it ain't stopping
No no no

(Chorus)

And I keep keep running
I keep keep running
I keep keep coming
Keep running
I keep keep running
I keep keep coming

(Chorus)

And I keep keep running

I keep keep running
I keep keep coming back for more, no no
Keep running
I keep keep running
I keep keep coming back for more, no
