

# John Newman, Running

(Verse)

100 Days, 2000 miles  
To you I'd run through day and night  
We've got to finish what we started  
We've got a lot to rescue darling

(Verse)

My shirt is torn, the shoes are worn  
My birth's been drawn but still I'm strong  
I feel like I'm a force of nature  
But guess who made you my creator

(Pre-Chorus)

Tryin stop a river when it wants to rise  
Tryin to stop a blaze off a burning fire  
I'm a hurricane, it ain't stopping  
No no no

(Chorus)

And I keep keep running  
I keep keep running  
I keep keep coming back for more, no no  
Keep running  
I keep keep running  
I keep keep coming back for more, no

(Verse)

I've got to tell you know I've crossed the time  
I've crossed through time  
And giving up never crossed my mind  
I feel like I'm a force of nature  
But guess who made you my creator

(Pre-Chorus)

Tryin stop a river when it wants to rise  
Tryin to stop a blaze off a burning fire  
I'm a hurricane, it ain't stopping  
No no no

(Chorus)

And I keep keep running  
I keep keep running  
I keep keep coming back for more, no no  
Keep running  
I keep keep running  
I keep keep coming back for more, no  
Yea I keep

(Pre-Chorus)

Tryin stop a river when it wants to rise  
Tryin to stop a blaze off a burning fire  
I'm a hurricane, it ain't stopping  
No no no

(Chorus)

And I keep keep running  
I keep keep running  
I keep keep coming  
Keep running  
I keep keep running  
I keep keep coming

(Chorus)

And I keep keep running

I keep keep running  
I keep keep coming back for more, no no  
Keep running  
I keep keep running  
I keep keep coming back for more, no
