John Prine, Sour Grapes

I don't care if the sun don't shine
But it better or people will wonder
And I couldn't care less if it never stopped rainin'
'Cept the kids are afraid of the thunder

Chorus:
Say sour grapes
You can laugh and stare
Say sour grapes
But I don't care

I couldn't care less if I didn't have a friend
'Cept people would say I was crazy
And I wouldn't work 'cause I don't need money
But the same folks would say I was lazy

repeat chorus

I couldn't care less if she never come back
I was gonna leave her anyway
And all the good times that we shared
Don't mean a thing to day

repeat chorus
