

# Johnny Cash, I'd Rather Die Young

I'd rather die young than grow old without you  
So don't ever leave me whatever you do  
To see someone's picture where my picture hung  
Believe me my darling I'd rather die young  
I'd rather die young than grow old without you  
So don't ever leave me whatever you do  
Though others may tempt you and tell you they care  
You'll find only sorrow in a secret affair  
Don't leave me never leave me please don't leave me never leave me  
I'd rather die young..  
[ guitar ]  
I'd rather die young...
