

Johnny Cash, I See A Darkness

Well, you're my friend
And can you see
Many times we've been out drinking
Many times we've shared our thoughts
Did you ever, ever notice, the kind of thoughts I got
Well you know I have a love, for everyone I know
And you know I have a drive, for life I won't let go
But sometimes this opposition, comes rising up in me
This terrible imposition, comes blacking through my mind

And then I see a darkness
Oh no, I see a darkness
Do you know how much I love you
Cause I'm hoping some day soon
You'll save me from this darkness

Well I hope that someday soon
We'll find peace in our lives
Together or apart
Alone or with our wives
And we can stop our whoring
And draw the smiles inside
And light it up forever
And never go to sleep
My best unbeaten brother
That isn't all I see

And then I see a darkness
Oh no, I see a darkness
Do you know how much I love you
Cause I'm hoping some day soon
You'll save me from this darkness
