

Johnny Cash, In My Life

[Originally by The Beatles]

There are places I'll remember
All my life
Though some have changed
Some forever
Not for better
Some have gone and some remain
All these places have their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life
I've loved them all

But if all these friends and lovers
There is no one
Compares with you
And these memories
Lose their meaning
When I think of love
As something new

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life
I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life
I love you more
In my life
I love you more
