

# Johnny Cash, Is This My Destiny

Cursed with sorrow pain and woe  
Full of feeling I can't show  
Hopeless love what else for me  
Is this my destiny

At night I toss and wonder why  
I must live while others die  
The grave would be escape for me  
From this my destiny

I know God surely made for every man  
Somewhere a maid  
Someone stole my love from me  
Is this my destiny

At night I toss and wonder why  
I must live while others die  
The grave would be escape for me  
From this my destiny
