

# Johnny Cash, Johnny 99

Well they closed down the auto plant in Mahwah late last month  
Ralph went out lookin' for a job but he couldn't find none  
He came home too drunk from mixin' Tanqueray and wine  
He got a gun shot a night clerk now they call him Johnny 99  
Dawn in that part of town where when you hit red light you don't stop  
Johnny's wavin' his gun around and threaten' to blow his top  
When an off duty cop snuck up on him on from behind  
Out in front of the club Tip Top they slapped the cuffs on Johnny 99  
Well the city supplied a public defender but the judge was mean John Brown  
He came into the courtroom and stared poor Johnny down  
Well the evidence is clear gonna let the sentence fit the crime  
Prison for 98 and a year will make it even Johnny 99  
A fist fight broke out in the courtroom they had to drag Johnny's girl away  
His mama stood up and shouted judge don't take my boy this way  
Well son you got any statement you'd like to make  
Before the bailiff comes to forever take you away  
Yes judge I got debts no honest man could pay  
The bank was holdin' my mortgage they was takin' my house away  
Now I ain't sayin' that makes me an innocent man  
But it was more than all this that put that gun in my hand  
And your honor I do believe I'd be better off dead  
If you can take a man's life for the thoughts that are in his head  
Then won't you sit back in that chair and think it over one more time  
And let 'em shave off my hair and burn Johnny 99
