

JOHNNY MARR, The Messenger

I'm seeing in you something
The life you're wanting takes long
You seem so heavy,
I'm fine just talking if you want
Don't wanna be the messenger?

I'm seeing in you something
Your eyes are open and you're on
I'm here and I'm ready, my time's for taking if you want
Who wants to be the messenger?

Who wants to be the messenger?
Who wants to be the messenger?
Who wants to be the messenger?
Who wants to be the messenger?
