

Johnny O'Keefe, Rock N' Roll Music

Well do you hear that rock 'n' roll music
Well it sure sounds good to me
Round the world baby
This music can't be beat

Well they say that we're goin' back
Goin' back to rockin' times of old
Put on your rockin' shoes baby
As down the road you go

When I'm rollin' (rollin')
Keep me rockin' (rockin')
Right down to my shoes
Well if you feel right (feel right)
Just stomp your feet
To that good old rock 'n' roll beat

When that good old rock 'n' roll music
Gets deep down in your soul
Put on your rockin' shoes baby
As down the road you go

When I'm rollin' (rollin')
Keep me rockin' (rockin')
Right down to my shoes
Well if you feel right (feel right)
Just stomp your feet
To that good old rock 'n' roll beat

Well that good old rock 'n' roll music
Well it sure sounds good to me
Round the world baby
You know it can't be bea-ea-ea-eat
Round the world baby
You know it can't be beat
