

# Johnta Austin, Hood Love

(feat. Mary J. Blige)

[Johnta Austin:]

Sometimes I don't get a chance to really tell you  
but I promise you, my love will never fail you  
don't you get it?  
each day we're writing history  
a thousand years from now  
they'll talk about you and me  
I know sometimes I go hard  
for no reason at all  
Put your soul through the business,  
and touch the weight of your heart  
but when your back's on the wall  
and there's a shortage of friends  
you know that I'm with you until the end

[Chorus:]

Coz we got hood love  
I be cussin, I be screamin  
like it's over, then I'm lovin  
then I'm feeling just to hold ya  
and that's how we do  
you know that hood love is the good love  
that's me and you  
so how you feel love?  
well I'm wit u  
never quit u  
now that's real love  
when you're not here  
then I miss you  
coz I still love  
the way that we do  
you know that hood love is the good love  
that's me and you

[Mary J. Blige:]

Sometimes I think about leaving you  
but when I think about what we've been through, yeah  
I get a feeling like it could be the worse  
cuz I've given you my best and I don't mind it...that's fine  
coz when you love somebody hard then you'll love that way for life  
you got all of my heart  
and I'll never leave your side  
I gave my word to love ya  
all the way to the end  
so no matter what I'll be right here  
I'll be right here cuz we got hood love

[Chorus x2]

[Johnta Austin:]

Now I'll play tough but not for too long  
You are someone I depend on  
No matter how I act at times  
I could never walk away  
I thought about it plenty times  
But no one can take your place

[Mary J Blige:]

Well if there aint no you  
Then there aint no me  
if there aint no us  
Then I'd rather be

By my self  
Cuz no one can  
Could understand my history  
And bring me back right here cuz  
We got hood love

[Chorus x3]
