

# Jon B, Are U Still Down

[Chorus:]

Girl it's alright, baby  
'Cause it's there in your eyes yeah  
I can see that you want me  
By the way that you smile  
Are u still down for me

Left once again at home  
Another night on your own  
Ain't no fun in lovin if you're lovin alone  
How does it feel to be useless, oh no  
Can you recall how close we used to be then  
Can you still remember those feelings again  
Seems like everytime I see you  
There's a tear in your eye  
Time to make some decisions  
Or go dying inside

[Rap:]

Tell 'em all call me a fool  
But I'm stuck in this love thing  
Plus I'm over heatin' from the rush  
Our tongues touch  
Kissin' fellin' fireworks  
Watch the sky  
I makes you smile  
But you'd rather have what makes you cry  
Say goodbye and leave now  
With my heart on my sleeve  
Memories now what I found is you  
Still care you had feelings  
And they're still there baby  
Girl keep it real here  
Are you still down?

[Chorus:]

Girl it's alright, baby  
'Cause it's there in your eyes yeah  
I can see that you want me  
By the way that you smile  
Are u still down for me

Remember that evening  
I knew that you were too scared  
To go all the way  
But you did it to please me  
You were crying it was raining  
When u gave it to me  
The more I see you  
The more that I feel inside  
And I know one day  
You'll make it back to where you can fly  
Watch time go, don't cry  
Tomorrow brings better days  
Let me dry your eyes  
And take your burden away

[Rap:]

Only once in a lifetime  
Touch my soul go slow  
Baby boo don't rush the flow  
Got me all weak baby  
But I'm strong in parts  
More bounce to the ounce

With the longest sparks  
Gettin' mine like fine wine  
Measured in time  
Many other brothers loved you  
But the pleasure was mine  
Mama taught me how  
To love a woman properly sprung  
We committed so I hit it  
So it's properly done  
Are u still down?

Girl it's alright baby  
'Cause it's there in your eyes yeah  
I can see that you want me  
By the way that you smile  
Are you still down for me?
